

Follow our six steps

1

Keep baby away from smoke, before and after birth.

2

Put baby in a cot, crib or Moses basket to sleep - never fall asleep with them on a sofa or chair.

3

Never fall asleep with baby after drinking or taking drugs/medication.

4

Put baby to sleep on their back with their feet to the foot of the cot.

5

Keep baby's head and face uncovered and make sure they don't get too hot.

6

Breastfeed your baby - support is available if you need it.

Together we can reduce the number of babies dying unexpectedly in Lancashire each year.
